MotorGuide®

THE EASIEST TO USE, QUIETEST MOTOR IN ITS CLASS

There are plenty of reasons to fish with Xi3. For starters, it has wireless control out of the box, so there's no need for an expensive add-on. And, our SecureStep system makes stowing and deploying Xi3 50% easier than the competition. With available Pinpoint® GPS module, Xi3 allows you to focus on fishing while taking advantage of GPS functions like anchor, heading lock, route record and more. You'll also get best-in-class quiet operation that's up to 40% quieter than the leading competitor.

With freshwater and saltwater models available in shorter shaft options, Xi3 offers a perfect fit for your fishing kayak. In all of its forms, Xi3 is a no-nonsense, high-value motor that's sure to grab your attention.
